

## Accessibility Statement

Last updated: July 2025

At the Enchanted Hope Foundation, we are committed to creating a welcoming, inclusive, and accessible online experience for all visitors, including people with disabilities. We believe everyone should have equal access to the stories, programs, and resources we share—regardless of ability.

### Our Commitment

We strive to ensure our website and digital content comply with the Accessibility for Ontarians with Disabilities Act (AODA) and meet or exceed the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA.

Our efforts include:

- Using clear, easy-to-read fonts and color contrasts
- Ensuring website navigation is accessible by keyboard
- Providing alt text for all important images
- Making documents and downloads as accessible as possible
- Ensuring forms are properly labeled and screen-reader friendly
- Designing interactive features (such as videos, buttons, and pop-ups) with accessibility in mind

### Ongoing Improvements

We recognize that accessibility is an ongoing process. We are continuously working to identify and remove barriers, and we welcome feedback to improve your experience on our website.
