

Enchanted Memories Day

In-Kind Sponsorship Opportunity

**Bring Magic to Life for
Seriously Brave Kids**

Presented by the Enchanted Hope Foundation

Who We Are

The Enchanted Hope Foundation is a registered nonprofit dedicated to bringing hope, joy, and connection to children facing serious illnesses—and their siblings—through storytelling, creativity, and immersive events.

Our upcoming event, Enchanted Memories Day, is a one-of-a-kind experience where each child becomes the hero of their own story—whether that's a princess, a knight, a fairy, or their favorite superhero.

With your help, we can make this unforgettable.

What is Enchanted Memories Day?

Enchanted Memories Day is a magical celebration designed for children with serious illnesses and their siblings. It's a moment for these brave children to feel special, pampered, and full of joy.

Each child will:

- Dress up as any character or superhero of their choice
- Receive professional hair and makeup styling
- Participate in storybook-themed crafts and games
- Enjoy snacks and treats
- Have professional photos taken to capture the day
- Leave with a curated gift bag full of magical surprises

How You Can Help (In-Kind Services Needed)

We're currently seeking generous service providers and creatives who can donate their time, talent, or products for this special day. We are looking for:

Hair & Makeup Artists

Transform each child into their chosen character (princess, superhero, etc.) with light, child-friendly makeup and simple styling.

Photographers / Videographers

Capture the magic with candid photos and portrait shots. We'll also be creating a post-event reel to share with families and our community.

Costume Providers / Boutiques

Donations of new or gently used costumes or accessories (crowns, capes, wings, etc.) for children to choose from.

Activity Supplies & Snacks

Supporters willing to donate craft materials, nut-free snacks, bottled water, or fun party supplies.

In-Kind Sponsor Benefits

In return for your generous support, you will receive:

- Logo placement on event signage and social media
- Recognition in a dedicated thank-you post featuring your business
- Business name or logo in our post-event video recap
- The opportunity to connect directly with local families and supporters
- A letter of donation for your records (for tax or business purposes)
- The joy of knowing you helped create unforgettable moments for children who need it most

Let's Make Magic Together

If you'd like to donate your time, services, or products to **Enchanted Memories Day**, we would be honored to partner with you.
