

Enchanted Hope Foundation – Adventure Satchel Sponsorship Form

**Bringing Courage, Comfort,
and Connection to Children
Facing Serious Illness – and
Their Brave Siblings**

Presented by the Enchanted Hope Foundation

Who We Are

At the Enchanted Hope Foundation, we believe in the power of storytelling, imagination, and love to support children and families navigating the hardest journeys of their lives. Our programs and storybook characters—like Princess Lily, Leo the Lionhearted, and Jackson the Brave Knight—offer children battling serious illnesses, and their siblings, a world of hope, bravery, and belonging.

We are a registered nonprofit organization dedicated to supporting families through creative healing, therapeutic resources, and magical experiences rooted in courage and compassion.

ABOUT THE ENCHANTED ADVENTURE SACHEL

The Enchanted Adventure Satchel is a carefully curated, crossbody bag gifted to children in hospitals and clinics across Ontario. Each satchel is filled with:

- Storybooks featuring empowering characters from the Enchanted Forest
- Magical tools like wands, stickers, courage cards, and comfort items
- Creative supplies like coloring pages and affirmations
- Optional add-ons for siblings who are part of the child's journey

This satchel is more than a bag—it's a companion for courage, a spark of joy, and a reminder that each child is brave, loved, and never alone.

WHY IT MATTERS

- Hospitalization can feel isolating, scary, and overwhelming for children.
- Siblings often feel left out, confused, or forgotten.
- The Adventure Satchel offers emotional comfort, a sense of identity, and tools for resilience.
- Each one is designed with trauma-informed, child-centered love.

Together, we can deliver hundreds of these satchels to children in need—but we can't do it without your support.

HOW YOU CAN HELP

We are seeking community sponsors to help fund, fill, and distribute these magical satchels. Your sponsorship allows you to make a direct impact while aligning your brand with a compassionate, community-driven cause.

SPONSORSHIP OPPORTUNITIES

To launch this heartwarming program, we need to raise **\$10,000**.

This amount will cover the production of **custom Enchanted Adventure Satchels** - each filled with a beautifully illustrated activity book and card, affirmation cards, collectible pins and badges, and a dose of enchanted courage.

Every satchel is a spark of joy and bravery for a child facing a difficult journey.

Your support can make this magical mission possible.
