Who We Are

The Enchanted Hope Foundation is a registered nonprofit organization dedicated to supporting children facing serious illnesses and their siblings through storytelling, creativity, and immersive experiences.

Through original storybooks, therapeutic activity kits, and magical community events, we help families rediscover hope and joy—even during their most difficult journeys. At the heart of our mission is the belief that every child deserves to feel brave, celebrated, and seen.

Enchanted Memories Day – A Magical Morning of Joy

On Sunday, October 18th from 9:30 AM to 12 PM, the **Amazing Fun Park in Mississauga** will be transformed into a private wonderland for children with serious illnesses and their siblings. The park will be exclusively reserved for this event, offering a safe, magical, and unforgettable experience.

Attendees will meet princesses and superheroes, enjoy engaging activities, and leave with special gift bags, creating lasting memories for families who need it most.

By sponsoring Enchanted Memories Day, your business can directly impact families, gain high visibility among our community, and be part of a heartfelt, one-of-a-kind event that spreads joy and hope.
