LIVING LUXE

The Enchanted Hope Gala is more than a fundraising event—it's an evening dedicated to celebrating the courage of children facing cancer and other serious illnesses while creating unforgettable memories for them and their families.

This year, we are transforming the venue into an enchanting forest experience, and **100% of sponsorship support for this campaign will help create the magical décor and immersive enchanted forest experience that makes the Enchanted Hope Gala so memorable for the children and families we serve.**

As a sponsor, your business will receive valuable marketing exposure while demonstrating your commitment to making a meaningful difference in our community.
