

HOSPITAL *Information Guide*

Supporting children with
serious illnesses through
stories, comfort, and hope.

A resource for Child Life Specialists, healthcare professionals,
and hospital partners interested in bringing Enchanted Hope
resources to families.

ABOUT *Enchanted Hope*

Bringing hope, comfort, and representation to children facing serious illnesses.

At Enchanted Hope Foundation, we believe every child deserves to feel seen, valued, and supported—especially during life's most challenging moments.

Through inclusive storybooks, comforting plush companions, and meaningful resources, we help children and their families find strength, courage, and a little bit of magic in the journey.

HOW ENCHANTED HOPE SUPPORTS CHILDREN & FAMILIES

INCLUSIVE STORYBOOKS

Our books feature children with medical conditions, disabilities, and differences—helping young readers feel represented and understood.

COMFORT & EMOTIONAL SUPPORT

Stories and resources that encourage conversations, reduce fear, and bring comfort during hospital stays, treatments, and procedures.

THOUGHTFULLY CURATED GIFT BAGS

Age-appropriate books, activities, and comfort items that brighten a child's day and provide encouragement during difficult moments.

SUPPORTING HEALTHCARE TEAMS

Resources that Child Life Specialists and healthcare professionals can easily integrate into patient care and family support.

Our Mission

To bring hope, comfort, and representation to children facing serious illnesses through inclusive stories, meaningful resources, and acts of kindness.

PARTNER WITH US

There are many ways we can work together.

DONATION PROGRAM (WHEN FUNDED)

As funding allows, Enchanted Hope provides donated books, plushies, and gift bags to pediatric hospitals and treatment centers.

HOSPITAL PURCHASES

Hospitals can purchase our books through Amazon or directly from Enchanted Hope for their Child Life department, family resource centre, or gift shop.

COMMUNITY SPONSORSHIPS

Local businesses, foundations, and community partners can sponsor books and plushies to be donated to their local children's hospital.

FUTURE PARTNERSHIPS

As Enchanted Hope grows, our long-term goal is to donate resources to pediatric hospitals and treatment centres across Canada.

TRUSTED BY Healthcare Professionals

At Enchanted Hope Foundation, we work alongside Child Life Specialists and healthcare professionals who understand the importance of emotional support during a child's medical journey. Our stories and resources are designed to complement the compassionate care they already provide.

WHAT HEALTHCARE PROFESSIONALS ARE SAYING

“

I just wanted to say a huge thank you for your continued support to the Great North Children's Hospital. The staff from wards 4 and 14 (children's cancer wards) both really appreciated the Princess Lily books and plushies that you kindly donated. They will be useful when preparing our patients for the changes they face including hair loss.”

Emma

”

“

Plushies and new books arrived this afternoon. Thankyou so much. The other family care coordinators LOVE them as well. You are making lots of people and patients happy.

Kelly

IWK Health Centre

”

THE IMPACT OF INCLUSIVE STORIES & RESOURCES

REPRESENTATION

Children see characters who share their medical experiences and feel seen, valued, and understood.

COMFORT

Stories provide reassurance, reduce fear, and bring comfort during treatments and hospital stays.

CONNECTION

Books encourage meaningful conversations between children, families, and healthcare teams.

HOPE

Imaginative storytelling helps children feel brave, empowered, and less alone in their journey.

OUR BOOKS & RESOURCES

Stories that help children and families navigate
the emotional challenges of serious illness
with courage, comfort, and hope.

1 Jackson and the NPO Quest

Supports:

- Preparing for surgery and medical procedures
- Understanding why children cannot eat or drink before anesthesia (NPO)
- Reducing fear and uncertainty before surgery
- Building confidence through preparation and imaginative storytelling

Ideal for: Children preparing for surgery, procedures requiring anesthesia, or other medical experiences involving fasting before treatment.

Medical Education

Emotional Support

Treatment Preparation

Confidence Building

PARTNER

With Enchanted Hope

Together, we can bring hope, comfort, and representation to children and families during their healthcare journey.

WAYS WE CAN PARTNER

BUILD YOUR CHILD LIFE LIBRARY

Hospitals can purchase Enchanted Hope books for Child Life departments, family resource centres, waiting rooms, or gift shops.

SPONSOR RESOURCES FOR PATIENTS

Community organizations, businesses, foundations, and donors can sponsor books, plushies, and comfort resources for your hospital.

DONATION PROGRAM

As funding becomes available, Enchanted Hope donates books, plush companions, and resources to pediatric hospitals and treatment centres.

FUTURE OPPORTUNITIES

We're always looking to collaborate on new ways to support children through storytelling, comfort, and inclusion.

Our Vision

To ensure every child facing a serious illness has access to stories that help them feel seen, understood, and never alone.

As Enchanted Hope continues to grow, our goal is to expand our hospital partnerships and make our books, plush companions, and comfort resources available to pediatric hospitals and treatment centres across Canada.

Interested in Partnering?

- ☐ We'd like to purchase books for our Child Life department.
- ☐ We'd like to learn about donated resources as they become available.
- ☐ We'd like information about sponsorship opportunities.
- ☐ We'd like to discuss a custom partnership.

We would love to connect and explore how we can work together to support your patients and families.
